

Our Vision

Our Duty

We provide our clients with specialist expertise in shipping related services. Our Clients include some of the major global enterprises and public listed corporations.

We create new VALUE, which begins with a commitment to innovation.

- The Insight
- The Creativity
- The Determination

That brings to life new ideas and experiences

We define VALUE as:

- Providing our outmost to accommodate our clients' needs •
Growing and expanding our clients' business
- Innovating for our clients
- Sharing opportunity with our clients' and business partners
- Strengthening our Clients' business by enriching our communities

Our Plan

As a recognized and reputable firm, the OGT will do the following:

- Play closer attention and fully understand our client' business and specific needs.
- Develop practical results and oriented business outcomes which can be financially quantified.
- Provide quality professional services as competitive costs.

In every assignment, our goal is to ensure that the shipping transportation and shipping related services we deliver, will make our clients more successful in their business field.

OGT Mission

The Olympic Gulf Tankers is in business to excel in the oil, chemical and vegetable oil sea transportation and related businesses in Europe and where we add value internationally. In doing so, our mission is to maximize long-term value by being the best at meeting the expectations of customers, employees, suppliers and the public.

We are an independently managed company within the group of the Olympic Gulf Marine Group that benefits from and contributes to the Group's worldwide knowledge and technology base.

OGT shall provide its customers with safe, reliable and efficient services. In the execution of its services, we are to meet high quality, safety and environmental standards.

Our mission means we:

- are people and an organization with superior capabilities and commitment; • are the partner of choice;
- deliver world-class performance;
- earn the admiration of all our stakeholders - investors, customers, host governments, local communities and our employees - not only for the goals we achieve but how we achieve them.

OGT Vision

At the heart of The OGT Operations is our Vision...

To be the premier European company with sustained world-class performance in all aspects of our business.

We will be a dynamic characterized by our integrity, customer focus, profitable growth, the value placed on people, and superior applications of technology. We will be the best at generating and applying new ideas and learning faster than other organizations.

Customer will prefer us because of our unsurpassed responsiveness and our ability to provide value and quality, People will be proud to work for the Olympic Gulf Tankers because we consistently attain superior business results, offer fulfilling work , and provide the opportunity for individuals to achieve their full potential. The communities in which we operate will welcome us because of our sensitivity and involvement.

We the people of the Olympic Gulf Tankers, are the key to achieving this vision and will be distinguished by our professionalism, energy, sense to improve, and our shared core values.
